DEPARTMENT OF DEFENSE
STRATEGIC DEFENSE INITIATIVE ORGANIZATION
WASHINGTON, DC 20301-7100

D

August 4, 1989

MEMORANDUM FOR: SEE DISTRIBUTION

SUBJECT: Technology Progress Displays

I would like to extend to you and interested members of your staff an invitation to visit the Strategic Defense Initiative Organization, on August 10, 1989 anytime between 0900 to 1400, to view displays showing much of our technical progress to date. We will present the highlights of some of our recent tests, demonstrate briefly the capabilities of the National Test Bed, and we'll have on-hand displays of technology hardware.

The presentations and displays will be in our Management Information Center. Please phone security clearances to our Access Control Center at 695-8048. Your staff can confirm arrangements through LtCol Pat Talty at 697-4040. I believe you will find these presentations to be very informative.

GEORGE L. MONAHAN, JR.
Lieutenant General, USAF
Director
